

Stuck Bus

My street is Ludlow Street.

It is very steep.

We live at the top of the hill.

Mr. Stroblansky's tow truck
service is at the bottom of the
hill.

At bed time one snowy night, a bus got stuck right in front of my house.

A tow truck had to come.
It got stuck in the snow too.

Then a snow plow had to come to unstick the tow truck.

The tow truck pulled the bus up the hill and I went to bed.
