

My Family

By Amelia

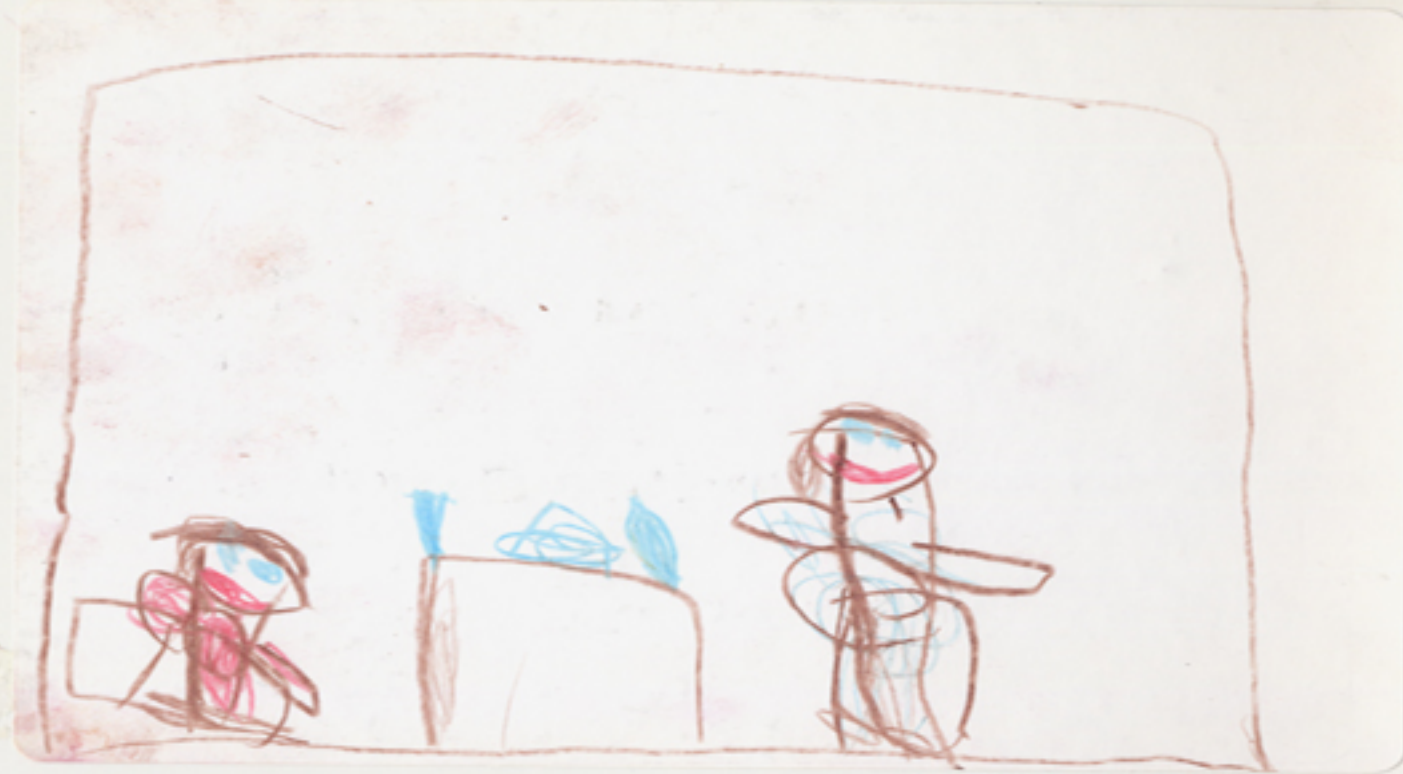

December 2006

**My dad and me took a nice
walk. We walked on the
"H" bridge.**

**My brother Zachary and
me were playing catch.
We were having a lot of
fun.**

**This is me and my big
sister at her house. We
were playing a game.**

**Me and my mom were
baking a cake. The cake
was for a party.**

I love my family!
